

## The Friends of St Paul's Theological Centre

The need for theological education in the Christian church has never been so acute. Christians need understanding to grow in their faith, and gain the confidence to give coherent witness in a hungry world. Church leaders need theological depth as they face up to the challenge of – and growing churches in – an uncharted, pluralist society.

St Paul's Theological Centre's vision is to bring theology back to the heart of every local church. We want to help build the confidence of lay Christians and church leaders by developing new theological resources, making them available for others to use around the world. We also want to train leaders to plant new churches, the fastest way of growing the church world-wide.

As a charity, however, we can't achieve this without the prayerful partnership of people who share our passion for faith with understanding. Will you consider becoming a Friend of SPTC and give a regular gift to support our work?

If you wish to become a supporter of SPTC please, complete the form overleaf and return it to the address shown. By being a Friend you can help us fulfill this exciting vision to deepen and enrich churches and church leaders around the world. *Thank you for your support!*

With very best wishes,

Revd Dr Graham Tomlin
